LOCAL JAYCEES HOST RUMMAGE SALE FOR RELAY

SAN FERNANDO VALLEY, CA (April 7, 2009) – The local Jaycees are encouraging San Fernando Valley residents to do some spring cleaning. On Saturday, May 2nd, they'll be hosting a giant, community-wide rummage sale to raise funds for the American Cancer Society's Relay For Life.

This is the 3rd year that the San Fernando Valley Jaycees will contribute to this signature event for the American Cancer Society. They have formed a Relay team, and have pledged to walk for 24 hours straight at this year's event in Van Nuys. In addition, each team member has pledged to raise at least \$100 before the event takes place at the end of May.

The American Cancer Society's Relay For Life saves lives by funding cutting-edge cancer research, early detection and prevention education, advocacy efforts, and life-affirming patient services. Relay represents the hope that those lost to cancer will never be forgotten, that those who face cancer will be supported, and that one day cancer will be eliminated.

SFV Jaycees President, Vickie Bourdas, adds, "This is the perfect time for spring cleaning. Our rummage sale gives friends, families and neighbors a great reason clean out their closets and garages, while making a difference in the fight against cancer."

The rummage sale will take place at 23250 Hamlin Street, in West Hills from 7:00am – noon on Saturday, May 2nd. To donate items, please contact Shannah Compton at 818-917-4624.

The San Fernando Valley Jaycees is the valley's best resource for tomorrow's leaders—providing our members with the most comprehensive set of tools for developing their leadership skills, cultivating partnerships with other civic and community leaders, and strengthening our communities through service.
